REVOCATION AND NEW POWER OF ATTORNEY

Under 37 C.F.R. § 3.73(b), Temple University, a university, certifies that it is the co-assignee (with Pfizer Inc.) of 100% of the right, title, and interest in the patent application identified above by virtue of:

Assignments from certain of the inventors of the application to Temple University.

The assignments were recorded in the Patent and Trademark Office at Reel/Frame 011824/0717 and Reel/Frame 014263/0031 on May 14, 2001 and July 14, 2003, respectively.

The undersigned has reviewed all the documents in the chain of title of the application and, to the best of undersigned's knowledge and belief, title is in assignees identified above.

The undersigned, whose title is supplied below, is empowered to act on behalf of Temple University.

The undersigned, acting on behalf of Temple University, hereby revokes all powers of attorney previously granted in the application and appoints the attorneys and/or agents associated with customer number **21559** with full power of substitution and revocation, to prosecute the application and to transact all business in the United States Patent and Trademark Office connected therewith.

All correspondence regarding the application should be sent to the address associated with customer number **21559**, which is Clark & Elbing LLP, 101 Federal Street, Boston, MA 02110.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18

of the United States Code and that such willful false statements may jeopardize the validity of the application or any patents issued thereon.

Respectfully submitted,
